COMMITTEE ON NON-GOVERNMENTAL ORGANIZATIONS

Draft decision submitted by the President and members of the Bureau on the basis of informal consultations held pursuant to paragraph 2 (1) of Council decision 1988/77

Provision of documentation to the Committee on Non-Governmental Organizations

The Economic and Social Council affirms that the documentation of the Committee on Non-Governmental Organizations should be issued in all six official languages of the Council. In the case of new applications for consultative status, new requests for reclassification of consultative status and quadrennial reports of non-governmental organizations, only the summaries of these documents will be issued in all official languages. Guidance for the preparation of these summaries by the Secretariat will be provided by the Committee on Non-Governmental Organizations. The complete submission from non-governmental organizations will be distributed to members of the Committee and to other Member States, at their request, in the language of submission.
